This is a confidential patient symptom survey. Please check each condition which is true for you. If the condition does not apply to you or you do not understand a term or if you are not sure if a condition applies to you, then do not check the box. Use common sense. For example, Insomnia once in the last month probably isn't that important and would not be marked. However, Insomnia occurring 1-2 times per week is notable and would be marked. Please take your time. . .
